## Referral Policy

CAAP is a small charity operating in Cornwall that supports families who have a child with a disability or additional need. Our criteria to register is children aged 0 – 25 years who have a statement or EHCP to attend (or have previously attended) a mainstream school or childcare. If a child or young person does not meet these criteria, a professional involved in the child's care can sign the form to confirm that they cannot attend mainstream activities.

Running concurrently to CAAP's main activity program is CAAP+ which is aimed at our older young people who have told that they would like more age appropriate activities and do not want to fall off the cliff edge when they reach 25 year old as CAAP is a lifeline to may disabled youngsters.

Membership of CAAP plus is dependent on at least one year's membership of CAAP prior to the young person's 25<sup>th</sup> Birthday.

Members would therefore access CAAP and CAAP plus:-

CAAP	0yrs --25yrs
CAAP & CAAP plus	14yrs--25yrsand beyond
CAAP Plus Only	25 yrs and beyond
